

Appln No. 10/719,614

Amdt date June 6, 2007

Reply to Office action of March 7, 2007

Amendments to the Specification:

Applicants have added units to the roughness term used throughout the specification. No new matter was added.

A Substitute Specification and Compare Copy showing the changes between the Substitute Specification and the Original Specification is attached following page 10 of this paper.

Attachment: Substitute Specification
Compare Copy
